grade shall be the average of the student's grades from major tes district assessments, major projects/activities. [No less than 5 grades will be taken during the nine-week period and teachers will drop the lowest grade in its category.]

b. Thirty-five percent shall be the average from daily assignments, homework, notebooks, or other activities determined by the teacher not to be included in the 50 percent category; and [no less than 15 grades will be taken during the nine-week period].

c. Fifteen percent shall be the nine-week test and cannot be dropped

Note: Teachers must confirm that the lowest major grade is dropped in txGradebook.

- Benchmarks will not be used as grade.
- STAAR state assessment scores may NOT be used as a grade.
- If a grading cycle is less than nine weeks, then the required number of grades will be 4 major and 13 d(nd)26n3( )-)

Consistent Application for Graduating Class	The District shall apply the same rules for class rank calculation and local graduation honors to all students in a graduating class, regardless of the school year in which a student entered grade 9 or the graduation program under which the student completes requirements for graduation.
Grade 9 before the 2017-18 School Year Calculation	The following provisions shall apply to students who entered grade 9 before the 2017Ð18 school year. The District shall include in the calculation of class rank grades earned in all high school credit courses regardless of when the cred was earned in the following subjects English, mathematics, science, soci studies, languages other than Engli any Advanced Placement (AP) course not associated with these subjects, and approved dual credit courses.
Exclusions	The calculation of class rank shall exclude grades earned in or by a local credit course; a course for which a pass/fail grade is assigned; and credit by examination, with or without prior instruction. In addition, the calculation of class rank shall exclude grades earned through distance learning and in dua credit courses taken through a college with which the District does not have a partnership agreement.
Weighted Grade System Categories	The District shall categorize and weight eligible courses as AP courses, Pre-AP and Dual Credit courses, and Regular courses in accordance with provisions of this policy.
AP Courses	Eligible AP courses designated in th course catalog shall be categorized and weighted as AP courses.
Pre-AP and Dual Credit	Eligible Pre-AP and dual credit courses designated in the course catalog shall be categorized and weighted as Pre-AP and Dual Credi courses.
Regular Courses	All other eligible courses shall be designated as Regular courses.
Weighted Numerical Grade Average	In accordance with the following scale, the District shall assign weights to grades earned in eligible courses and shall calculate a weighted numerical grade average per semester if the grade earned is or above:

Category	Weight
AP Courses	Plus 20
Pre-AP and Dual Credit Courses	Plus 10
Regular Courses	Plus zero

CLASS RANKING EIC (LOCAL)

	The District shall record unweighted numerical grades on student transcripts.
Early Graduates	A student who completes all coursework for graduation in fewer than four years shall have his or her class rank calculated using the weighted grade system of the graduating class, and the student shall be ranked with the class in the school year in which he or she graduates.
Transferred Grades	When a student transfers grades for properly documented and eligible courses, the District shall assign weight to those grades based on the categories and grade weight system used by the District if similar or equivalent courses are offered to the same class of students in the Distric

Exclusions	The calculation of class rank shall exclude grades earned in or by a local credit course; a course for which a pass/fail grade is assigned and credit by examination, with or without prior instruction. In addition, the calculation of class rank shall exclude grades earned through distance learning and in dual credit courses taken through college with which the District does not have a partnership agreement.
Weighted Grade System Categories	The District shall categorize and weight eligible courses as AP courses, Pre-AP and Dual Credit courses, and Regular courses in accordance with provisions of this policy.
AP Courses	Eligible AP courses designated in the course catalog shall be categorized and weighted as AP courses.
Pre-AP and Dual Credit	Eligible Pre-AP and dual credit courses designated in the course catalog shall be categorized and weighted as Pre-AP and Dual Credit courses.
Regular Courses	All other eligible courses shall be designated as Regular courses.
Weighted Numerical Grade Average	In accordance with the following scale, the District shall assign weights to grades earned in eligible courses and shall calculate a weighted numerical grade average per semester if the grade earned is 70 or above:

Category	Weight
AP Courses	Plus 20

admission under state law. [See EIC(LEGAL)]

Valedictorian and Salutatorian

The valedictorian and salutatorian shall be the eligible students with the highest and second-highest rank, respectively. To be eligible for such recognition, a student must:

1. Have been continuously enrolled in the same high school in the District for the two academic school years immediately preceding graduation;

2. Have completed the distinguished level of achievement under the foundation program for graduation; and

3. Be graduating after exactly four years of enrollment in high school.

Breaking Ties

In case of a tie in weighted numerical grade averages, the District shall compute the weighted numerical grade average to a sufficient number of decimal places until the tie is broken to determine recognition as valedictorian or salutatorian.

If the tie is still not broken, the District shall recognize all students involved in the tie as sharing the honor and title.

Honor Graduates

The District shall recognize with white cords each student in tion e
